Presidents Message

Hello, Friends!

Spring is coming and the days are growing longer. It is time for us to gather again for fellowship and prepare for our next August show. Brenda and Dale have met with the Massey Harris club and they are excited to attend. The horse community is growing and requiring more room in the horse barn during the show. I find that very encouraging. The board has been working during the off season to promote our show and we hope the effort pays off at the gathering. Be sure to attend our monthly meetings to hear what is going on and to enjoy the speakers and refreshments.

The club has secured a new PA system for use during the show. This will help to keep the exhibitors and guests better informed. The tree donation program has been a success with over 10 trees donated and we expect more. The shade from them will make future events more enjoyable.

I hope everyone enjoys the return of the newsletter. We appreciate your contributions. Your content will make it better! Construction of the new website continues with new content. We plan to link it to the MIAPA Facebook page to give us more exposure and make it easier for members to keep track of current news. See you at the meeting!

Aaron Wade
MIAPA President

MID-IOWA ANTIQUE POWER ASSOCIATION, INC.

- F. BILL ROADS MOVED TO ADJOURN THE MEETING, SECOND BY DALE WESTBROOK, MEETING ADJOURNED.

MEETING ADJOURNED AT 6:45 PM
DON BAIE.

Mid-Iowa Antique Power Assn hosted their annual Christmas party on December 10, 2022 at the State Center Community Room. Over 40 members and guests enjoyed a bountiful potluck supper. A brief December General meeting was held and then Colleen and Judy led us in Christmas Trivia and gift exchange. Members brought canned food items for the Emergency Food Box in Marshalltown. 95 pounds of food items were donated. Good Job, MIAPA! A note was received from EFB: Thank you for your recent donation to the Emergency Food box. Your kindness makes it possible for us to help meet the emergency food needs of people in Marshall County. On behalf of those persons who will benefit from your generosity, we again say, "Many thanks for your help!"

Plowing Show 2023

Friday, Saturday, and Sunday Aug. 4, 5 & 6, 2023

Admission \$10.00 (Good for all three days)

(12 & Under FREE)

Raffle tickets will be available from Brenda and if you would like to please email me at mid Iowaantiquepowerassoc@gmail.com so I can get you the tickets.

Also this year we are planning on getting the tractor out and about to any tractor ride, tractor show, festival in the state of Iowa. We already have some events on a list, if you know of any event and are willing to take it and some tickets please email me as well.

Donation of trees

As a club we are looking at ways to help maintain our shade around the grounds after losing trees to the Derecho and the Emerald Ash Borer. We are looking at ways for folks to donate towards the purchase and planting of 10 foot trees. Currently, we are thinking we need around 10 trees to be planted on the grounds to replace the ones we have lost or will need to be taken down.

MIAPA will again provide a \$300 scholarship to Marshalltown Community College to a full-time student. If you have a connection with a student at MCC and would like to share their name, the board will select a student to receive our \$300 scholarship. Please send your suggestions to Dona Veren at 641.483.2421 or reveren@partnercom.net by May 1. Hannah Roads, granddaughter of Bill and Judy, received our 2022-2023 scholarship.

MEMBERSHIP REPORT as of March 6, 2023:

100th robotic gastric bypass surgery performed

Congratulations to Mark Smolik, MD, and Joel Rand, PA-C, on performing their 100th robotic gastric bypass surgery on Feb. 14. Robotic bariatric surgery offers patients quicker recovery, reduced pain and scarring and a quicker return to their regular routine.

[Read more >](#)

Joel Rand made his presentation at the March General Meeting, and it was a very interesting presentation about gastric Bypass surgery and it's success

Meeting, and it was a very interesting presentation
