Presidents Message

President's Address Summer 2023 MIAPA

The calendar says that summer arrives today and the temperatures in the low 90's make me believe it. The club auction is completed and the club made money in the kitchen. Raffle ticket sales continue with the Rose Festival last weekend and the WHO tractor ride based in Marshalltown this year. If you can volunteer at future celebrations, please consider doing so. Showtime will soon be here. It will be nice to gather and celebrate early Agriculture. We are planning to demonstrate steam engines on a Baker fan and a spark show on Saturday night following Ron Burgess in the kitchen building. Volunteers are still needed to make our show a success. Consider helping where you can. The trees are planted and will provide shade in the future. Thank you to everyone for your support of this program to enhance the show grounds. The club will meet once more before the show on July 10th . Be sure to attend so you will be ready for the show in August. See you soon!

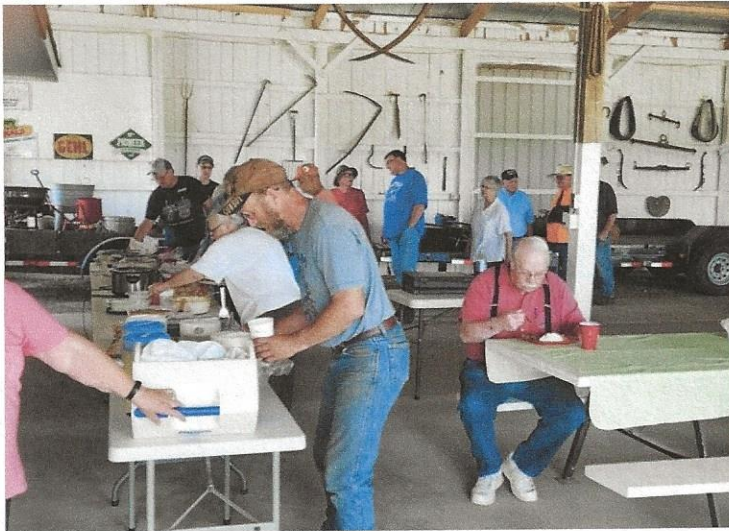

Aaron Wade MIAPA President
